KOOCK'S SEMI-ANNUAL CLEARANCE SALE

OF OUR ENTIRE STOCK OF
MEN'S AND BOYS' SUITS
REDUCTIONS GREATER THAN EVER

SAVING YOU **25** and **35** and **40** PER CENT

This is indeed welcome and refreshing news to waiting clothing buyers of Oregon and vicinity, who are harassed continually throughout the year by meaningless special and bargain clothing sales, in which prices are raised and lowered and values exaggerated.

The public knows that this sale means real and bona fide reductions from the original selling prices of suits that represent our original season's stocks, and are not garments specially purchased from manufacturers for some special reduction sale. Suits you've seen before in this season's stocks.
